## Cleaners (continued)

ATV City Part No.	Description	Quantity
210.0500	Kontakt 61	200ml

Contact lubricant & corrosion inhibitor. Builds a thin protective film, preventing corrosion and wear. Provides a low, stable contact resistance, without leakage currents or short circuits between the contact surfaces.

## Multipurpose

ATV City Part No.	Description	Quantity
210.0010	5-56 spray	300ml
210.0020	5-56 spray	400ml
210.0025	5-56 spray	5ltr

Multipurpose service Spray. The thin oil with additives loosens rusted screw connections, lubricates hinges and stops squeaks. 5-56 displaces moisture and thus helps wet engines to start and prevents electrical failure. It frees and cleans sticking mechanisms and protects metals against corrosion in a humid, corrosive atmosphere.

## Lubricants - Oil

ATV City Part No.	Description	Quantity
210.0080	Penetrating Oil + MOS2	300ml

Penetrating and lubricating oil. The thin oil penetrates through the finest openings and disperses rust, scale and other dirt. It will be easier to loosen metal parts and screw connections seized by dirt, rust, corrosion or dried-up greasy deposits. Leaves a lubricating MoS2 Film

ATV City Part No.	Description	Quantity
210.0090	Rost Flash Spray	500ml

The penetrating oil with freeze-shock effect quickly loosens rusted or squeezed connections. The freezing effect (-40C degrees) cracks the rusted or squeezed surfaces and the high purity penetration oil can easily find its way through the fissures. CRC Rost Flash easily loosens seized connections. To be applied on threaded connections, splines, rods, etc.
