## Miscellaneous

ATV City Part No.	Description	Quantity
210.0430	Gun Care	150ml

After the firing session, clean, lubricate and protect the gun with CRC Gun Care. It frees and removes powder residues, penetrates very well and drives out moisture. It gives an excellent off-season storage protection. Resists temperatures down to -50C°

ATV City Part No.	Description	Quantity
210.0435	Motor Starter Aerosol	200ml

Instant cold start for diesel and petrol engines. Ensures instant engine start at low temperature, in humid conditions and after long periods of standstill. Avoids battery strain and exhaustion. Contains special additives to prevent engine wear. Can be used for car, trucks, tractors, lawnmowers and chainsaws.

ATV City Part No.	Description	Quantity
210.0440	Fix	300ml
210.0450	Fix	500ml

Seals and inflates tires in a few seconds. Leaves a rubber film on the inside tyre wall that seals the puncture. Makes use of the propellant to inflate the tyre to driving pressure. This is NOT a permanent solution.

ATV City Part No.	Description	Quantity
210.0480	Bike Oil	150ml

Lubricates most moving parts on bikes. Penetrates in the hardest to reach areas. Protects against corrosion and rust, ideal for winter storage. Displaces moisture and water. Applications; chains, cogwheels, sprockets, brake mechanism and locks.
