## Car Care (continued)

ATV City Part No.	Description	Quantity
210.0550	Glass Clean	400ml

A window cleaner with an active foam formula for removal of greasy marks, grim, tar and squashed insects. The special, stable foam will not run off. CRC Glass Clean also cleans headlights, bumpers and car body.

ATV City Part No.	Description	Quantity
210.0560	Tire Shine	400ml

An active foam that makes your tires look as good as new. Removes stains on tires. Leaves a clear, inert film that repels dirt. CRC Tire Shine protects the rubber against discoloration and oxidation.

## Additives

ATV City Part No.	Description	Quantity
210.0600	Bio Diesel Additive	200ml

Prevents and reduces fuel injection system deposits.

ATV City Part No.	Description	Quantity
210.0610	Diesel Additive	200ml

Increases Cetane level, optimizes fuel consumption. Cleans and prevents wear of diesel pumps and injection systems. Ensures smoother running of the engine and a better cold start.

ATV City Part No.	Description	Quantity
210.0620	Diesel Anti Paraffin	200ml

Improves the flow characteristics of diesel fuel at low temperatures. Prevents obstruction of the filter. Avoids cold start problems

## WORKSHOP TOOLS AND CONSUMABLES

### Additives (continued)

ATV City Part No.	Description	Quantity
210.0630	Diesel Dryer	200ml

Dissipates water in diesel fuel to minimize the risk of interruptions in the fuel supply to the injectors.

ATV City Part No.	Description	Quantity
210.0640	Diesel Smoke Stop Car	200ml
210.0650	Diesel Smoke Stop Truck	200ml

Anti Smoke for Diesel car engines or for truck engines

ATV City Part No.	Description	Quantity
210.0660	Fuel Stabiliser	200ml

Controls and reduces the formation of gum, varnish and peroxides during storage of diesel and gasoline.

ATV City Part No.	Description	Quantity
210.0670	Fuel System cleaner	200ml

Thorough cleaning from tank to combustion

### Additives

ATV City Part No.	Description	Quantity
210.0680	Gasoline Additive	200ml

Reduces failures by keeping the fuel distribution system clean. Protects the system against rust and corrosion. Optimizes fuel consumption and combustion.

## Additives (continued)

ATV City Part No.	Description	Quantity
210.0690	Injector Cleaner	200ml

Instant cleaner for the injector system. Removes the deposits in the injectors and also prevents the formation of those carbon deposits. CRC Injector Cleaner ensures an optimal fuel spray, optimizes the engine performance and the fuel consumption. Compatible with fuels and catalyst systems.

ATV City Part No.	Description	Quantity
210.0700	Motor Flush	200ml

Instant cleaner for the complete oil system. Removes the deposits on the inner parts of the motor. Improves the engine performance. CRC Motor Flush disperses deposits, gums and sludge in the oil. Add to the old oil, run engine for a few minutes before oil change. When flushing the old oil, the dispersed dirt will be removed.

ATV City Part No.	Description	Quantity
210.0710	Octane Booster	200ml

Boosts the octane level and gives extra lubricity to the valve seats, thus preventing valve seat recession on both old and new engines.

ATV City Part No.	Description	Quantity
210.0720	Oil Additive	200ml

Stabilizes the viscosity of the oil, optimizes oil consumption and compression. Reduces engine deposits and pollution. Protects the oil system against corrosion and oxidation.

ATV City Part No.	Description	Quantity
210.0730	Oil Drip Stop	200ml

Restores the seal-metal contacts and even stops light motor oil leaks, reduces oil loss. CRC Oil Drip Stop also stabilizes the oil viscosity.

ATV City Part No.	Description	Quantity
210.0740	Radiator Clean	200ml

Prevents obstructions in the cooling system. Removes scale and rust from the inside of the radiator, providing an optimal heat exchange. CRC Radiator Clean protects against corrosion.
